HOW OUR MAGAZINE WORKS:

When Hustle Mama Magazine was launched in 2012 it was a Quarterly Magazine. Throughout the years we have had Special Editions launched, and as of 2019 we have moved to Monthly.

We currently stream online in a BLOG FORMAT at www.HustleMamaMagazine.com however, we promote through social media using our FLIP BOOK technology by sharing the link identified by the Month or by the words Current Issue. www.May2019.HustleMamaMagazine.com or www.CurrentIssue.HustleMamaMagazine.com. We are in PRINT ON DEMAND for purchase as well as on sale for Digital Purchase through MAGCLOUD Distribution. http://www.magcloud.com/browse/issue/1608220?_r=288896

We also have several past issues on MAGZTER and ISSUU and are working to update both of those platforms. Our past issues are hosted on our own platform at: www.Archives.HustleMamaMagazine.com and people are able to buy past issues through MAGCLOUD as well. I would hope that if you are a Staff Writer, that you have purchased at least each PRINT ISSUE that you have been published in or been a part of.
